By submitting this registration, I acknowledge that an inherent risk of exposure to COVID-19 exists in any public place where people are present. I/we agree to follow the below guidelines and voluntarily assume all risks related to exposure to Covid-19 and agree not to hold Congregation Agudas Sholom of Chelsea Walnut Street Synagogue, its Clergy, Officers, or Board members liable for this risk.

## HIGH HOLIDAY ATTENDEE GUIDELINES

- All attendees who are eligible for vaccination must be fully vaccinated (two weeks past second-dose of Pfizer or Moderna vaccines or two weeks past single-dose Johnson and Johnson vaccine) in order to enter the shul.
- Bring your own mask, kippah and tallit if you have them.
- Social distancing within the shul is encouraged between those from separate households.
- All attendees and staff over age 2 must wear masks over the mouth and nose inside the shul in accordance with the current CDC guidelines for Suffolk County, Massachusetts. Additional guidelines may be implemented based on direction from the City of Chelsea or the Commonwealth of Massachusetts or updated guidelines from the CDC.
- Do not attend if:
  - O You have tested positive for COVID-19 within the last 14 days or been in close contact with anyone who has tested positive for COVID-19 within the last 14 days.
  - O You do not feel well, have a fever, are experiencing any symptoms of a cold or flu, a loss of taste or smell or have been exposed to anyone who is ill
  - O You have been asked to self-isolate or quarantine by your doctor or a local public health official.
