

A safety net for our Jewish community since 1989

Yad Chessed is the only social service agency focused solely on providing basic needs for Jewish people and families living in Massachusetts. Our mission is rooted in the values of *tzedakah* (charity) and *chessed* (kindness). In addition to grocery gift cards, emergency financial assistance, and guidance, Yad Chessed also offers support aligned with the Jewish calendar to help those struggling celebrate holidays and feel connected to the Jewish community.

This Hanukkah Yad Chessed will deliver 250+ Shabbat holiday meals to people in our community who are struggling with financial hardship and isolation

*Our Hanukkah meal deliveries remind community members that they are not alone.
As one recipient shared after a past meal delivery,
“The feeling of being included and remembered has stayed with me. Thank you.”*
