

# BOSTON UNITES AGAINST TERROR

## HOSTAGE TUNNEL IMMERSIVE EXHIBIT

Boston City Hall Plaza **August 18-20**, 2024

The **Hostage Tunnel Exhibit** is an audio-visual simulation of hostages' experiences in Hamas tunnels in Gaza. Designed in consultation with hostages who were released in November, with audio from recovered Hamas body cameras and video from inside the tunnels, this immersive exhibit provides powerful insight into the horrors of Hamas captivity.

**Walk through the simulation • View the other displays**  
**Talk to hostage families**

- Learn about the October 7th terrorist attack on civilians inside Israel
- Get a glimpse of the ~ 300 miles of underground tunnels constructed under Gaza
- Feel for a moment some of the horror the hostages have been enduring for the past 10 months

Hamas is still holding **over 100 people hostage, including 8 Americans** - all are denied access to humanitarian aid and visits by the Red Cross.

Visit the exhibit, gain insight into the hostages' experience, and unite across political divides in the call for their freedom!
